Acterra Events

At this time, our programs are online, and in-person programming is suspended due to the current pandemic. As a result of this change, Acterra has seen an increase in event attendance and impressions.

Premier Event (Average 300+ attendees and 2,000 impressions)

**Acterra’s Promise to Our Planet (Spring)**
This event combines three purposes: a celebration of Acterra’s community-building and local environmental impact, a vital fundraiser for Acterra’s programs, and an awards ceremony that recognizes Bay Area organizations for making strides in sustainable business practices. Attendees include business leaders, local government representatives and politicians, community members, and sustainability and nonprofit professionals.

Featured Events (Average 100 attendees and 1,000 impressions)

**Green Team Network Forums**
(One each: Fall and Spring)
Each forum focuses on a different sustainability topic and engages attendees with educational talks and workshops. The events gather business professionals from around the Bay Area who serve on their respective companies’ green teams to collaborate and learn how to accelerate sustainable practices in their workplaces.

**Karl Knapp GoEV Workshops**
(up to 8 events annually)
Acterra holds public workshops across the South Bay and Peninsula region to provide education about the benefits and logistics of switching to electric vehicles. Details are provided about incentives and rebates to make EVs affordable to all, including those in low-income communities.

**Public Lecture Series Events**
(up to 6 lectures annually)
Acterra’s lecture series features prominent speakers addressing climate change and sustainability issues. Attendees include community members and students.

**Documentary Screenings with Panel Discussions**
Each screening offers the general public an opportunity to watch a relevant and inspirational documentary about a topic in sustainability. At the end of the screening, we include a live panel discussion featuring experts in the field.

Partner Events (Average 50 attendees and 500 impressions)

- Induction cooktop workshops
- Plant-based cooking demonstrations
- Coffee hours with Acterra’s Executive Director
- Young Professional Happy Hours and Lectures
- More to be announced
Each partnership level offers a different combination of acknowledgments at Acterra events and in our publications. Corporate partners are able to choose which event(s) at each level they would like to incorporate in their partnership. Levels include:

**Leader ($15,000)**
Includes marketing, verbal recognition, and engagement benefits at all events listed above, plus “Leader-only” perks for additional engagement and recognition only offered at this level.

**Champion ($10,000)**
Includes marketing, verbal recognition, and engagement benefits at our premier event, 2 featured events, and 2 partner events of your choice.

**Hero ($6,000)**
Includes marketing, verbal recognition, and engagement benefits at 2 featured events and 2 partner events of your choice.

**Changemaker ($3,000)**
Includes marketing, verbal recognition, and engagement benefits at 1 featured event and 1 partner event of your choice.

**Advocate ($1,500)**
Includes marketing, verbal recognition, and engagement benefits at 1 partner event of your choice.
Partnership Levels & Benefits

**Leader ($15,000)**

Benefits include all benefits in lower levels plus:
- Marketing, verbal recognition and engagement benefits at all Acterra events listed above
