

# VISIT US & WORK WITH US AT THE OAK SPRING GARDEN LIBRARY

## The Oak Spring Garden Library

- ✿ The Oak Spring Garden Library includes about 16,000 objects, including rare books, manuscripts and works of art relating to plants, gardens and landscapes, dating back to the 14th century. Visit our [Library website](#) and search our database to explore the collections.

## The Library is Open for Business

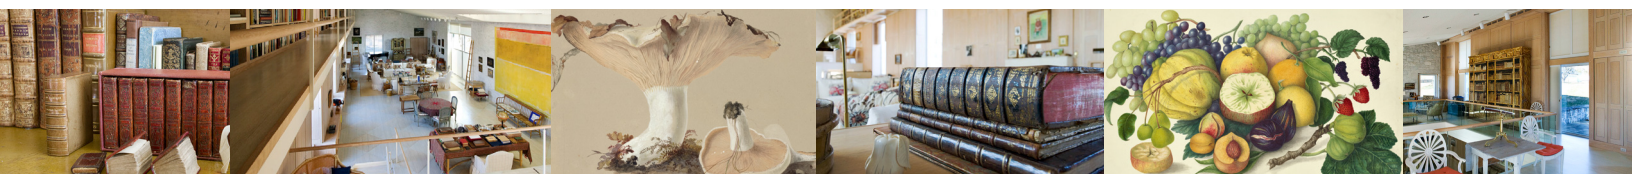

- ✿ Beginning in January 2018 we are able to offer free overnight accommodation on the Oak Spring estate for bona fide scholars wishing to study material in the Oak Spring Garden Library collections. Since we are only able to accommodate a limited number of scholars at any given time, we will probably need to prioritize our visitors based on timing and topics.

## To Visit the Oak Spring Garden Library

- ✿ Please send us a brief proposal outlining your interest in visiting the Oak Spring Garden Library, and the goal of your work as it relates to plants, gardens and landscapes, by filling out this short [online form](#). You can also find the form and other ways of engaging with OSGF at [www.OSGF.org/opportunities](http://www.OSGF.org/opportunities).

## Ideas for Partnerships

- ✿ We are very interested in creative ideas for activating our collections through partnerships with others. If you have ideas along these lines we would be interested to hear from you by filling out this short [online form](#).
