

Applications Now Open: North West Thriving Communities Learning Together Programme Autumn Winter 2022/23

We are pleased to announce that [applications are now open](#) for the FREE North West Thriving Communities Learning Together Programme – Autumn Winter 2022/23.

This regional programme is open to voluntary, community, faith and social enterprise (VCFSE) organisations across the North West region interested or involved in social prescribing. This free programme will teach you about social prescribing and the VCSE eco-system that enables social prescribing to be successful. Places are limited to two people per organisation.

To apply please complete the short online form [linked here](#).

The programme is free to join and the commitment for the programme is around 2 hours a month.

The programme will involve a series of online workshops and virtual peer-to-peer learning sessions, as well as exclusive opportunities to network with others on Learning Together from your area. **For more information please see [here](#).**

The closing date for applications is Thursday 15th September 2022.

Once you apply, we'll review your details and confirm your place on the Learning Together programme by Monday 19th September. If we are able to accept you onto the programme you'll receive an invitation to the programme launch webinar taking place on **Thursday 22nd September, 10:30am – 12pm**. Save the date!

In the meantime, should you have any questions regarding the programme please do not hesitate to get in touch with the regional lead for your area:
