Overview

Ado H Muhammad
Executive Director
Centre for Health Systems Research & Development (CHESRAD)
Ahmadu Bello University, Zaria, Nigeria
About CHESRAD....

- Located in Central part of Northern Nigeria
- Focus: Global Health within Sub-Saharan Africa - Northern Nigeria being a typical environment
- NGO: own governance, board and executives from health and non-health background
- Work: translational research into health determinants (social, ecological, environmental) & Capacity Development
- Coordination centre: drawing research expertise locally, in the region and from overseas
- Collaboration is central to our work
• Priorities: SP 2020-25
• SP 2020-25: 8 Themes across major areas of SDGs
• **Theme #8**: Relevant to EO4HEALTH – Role of ecology and environment and health (“planetary health”).

**Strategic priority 8: Environmental and Planetary Health**

• Project on indoor air pollution with University of Liverpool – GEO data on *forest cover/desertification* and *air quality* will be key
REGARDING COVID-9...

- COVID-19 in Theme #1 (Communicable Disease Including Emerging Infections) of SP2020-25
- COVID-19 Research Platform - Themes on areas of particular relevance to SS-Africa: communication, coordination, compliance, community support etc
- 2 draft proposals: Factors affecting response to interventions and impact of misinformation

Will consider a study to investigate surge in the number of “unexplained deaths” in March, April and May in Northern Nigeria

- https://www.bbc.co.uk/news/world-africa-52454259

Objectives:

- Effects of Lockdown measures vs role of COVID-19, heat and dehydration, worsening of underlying illnesses (Diabetes), acute hunger on the surge in deaths between February and May 2020 in Northern Nigeria
- GEO data required: heat and humidity

Reference:

Result to help stakeholders to consider regional peculiarities in intervention measures and policy
