GEO Health
Community of Practice
Annual Meeting 2021

December 14, 2021

John Haynes, NASA (USA)
Juli Trtanj, NOAA (USA)
Helena Chapman, NASA (USA)
Agenda

8:30AM – 9:15AM EST/GMT-5)
❖ International Updates (10-min updates)

9:15AM – 9:45AM EST/GMT-5)
❖ Small Work Group Updates (5-min talks)

9:45AM – 10:30AM EST/GMT-5)
❖ Regional Focus (10-min updates)
❖ Discussion on Public-Private Partnerships

10:30AM – 11:30AM EST/GMT-5)
❖ Discussion on Cross-cutting Engagements with the GEO Secretariat, International Organizations, Regional GEOs, and CoP members
International Updates

John Haynes, NASA (USA)
Juli Trtanj, NOAA (USA)
Helena Chapman, NASA (USA)
International Updates

- GEO Secretariat and GEO Virtual Week 2021
  - Steven Ramage (GEO Secretariat)

- World Meteorological Organization (Global Heat Health Information Network, GHHIN)
  - Joy Shumake-Guillemot (World Meteorological Organization) and Juli Trtanj (NOAA)

- Pan American Health Organization
  - Marcelo Korc (Pan American Health Organization)
Small Work Group Updates

John Haynes, NASA (USA)
Juli Trtanj, NOAA (USA)
Helena Chapman, NASA (USA)
Small Work Group Updates

- Predict and Prevent Heat-related Health Risks across Time Scales
  - Ben Zaitchik (Johns Hopkins University) and Cascade Tuholske (CIESIN, Columbia University)

- Predict and Prevent Environmentally-sensitive Infectious Diseases
  - Antar Jutla (University of Florida)

- Air Quality, Wildfires, Respiratory Health
  - Eric Klos (DailyBreath) and Pawan Gupta (USRA/NASA)

- Food Security and Safety
  - Dorian Janney (NASA GSFC/GPM)

- Health Care Infrastructure
  - Andreas Skouloudis (iSteep.org) and John Balbus (NIEHS/NIH)
Regional Focus

John Haynes, NASA (USA)
Juli Trtanj, NOAA (USA)
Helena Chapman, NASA (USA)
Regional Focus

- Update on AmeriGEO Activities
  - Angelica Gutierrez (NOAA)

- Update on AOGEO Activities
  - Xingfa Gu (Institute of Remote Sensing Applications, Chinese Academy of Sciences)

- Update on EuroGEO Activities
  - Marjan van Meerlo (European Commission)
Discussion, Next Steps & Closing

John Haynes, NASA (USA)
Juli Trtanj, NOAA (USA)
Helena Chapman, NASA (USA)
Discussion on Cross-cutting Engagements

- Discussion on Cross-cutting Engagements with the GEO Secretariat, International Organizations, Regional GEOs, and CoP members
- Summary of Next Steps & Closing
