

MISSIONAL COMMUNITIES

A Missional Community (MC) is a group of 20-50 people on a common mission together. These mid-size groups act like extended families, meant to create a stronger sense of belonging and purpose within the larger Northstar community. Each MC has a unique mission that guides everything they do.

If you are an adoptive family, foster family, or Safe Families host, or if you are feeling tugged to investigate, please join our community! We'd love to help support your journey through education, adoption grants, and fellowship. To get connected, contact Mike and Anne Jutt: mjutt@cinci.rr.com.

MOPS is a gathering for moms to connect, be refreshed and grow spiritually. MOPS meets the second Wednesday of each month for a group gathering (childcare offered) and the fourth Wednesday of each month for a playdate. For more information, email northstarMOPS@gmail.com.

Our mission is to help bring awareness and support to the fight against human trafficking. There are 85 Christians to every slave on our planet. Join us as we meet regularly to plan and pray through how God wants us to respond. Contact Stephanie Savely, ssavely@hotmail.com for more info, or look for us on Facebook at Northstar 85:1.

Our mission is to help people experience the next level of freedom in any area of their life. Whether it's with relationships, old habits, finances...or any other area of life, come on out. Childcare is provided. Contact Greg Williams for more info: d1doverbay@yahoo.com, 317-6901.

We meet monthly on the 3rd Wednesday at Northstar in the Student Room at 6:30am for a deeper dive into the Scriptures. Interested in hearing more or receiving the selected monthly passages? If so, email Steve Weigand at weigand_steve@yahoo.com.
