FADE IN:

EXT. NORTHWEST SOUTHEAST HIGH SCHOOL - ESTABLISHING

An AVERAGE LOOKING MALE STUDENT drives by THREE GIRLS in his TRICKED OUT SUV and HONKS. The girls quickly HIDE ONE HAND behind their back while waving with the other one. One girl's hand is FURRY, one is GREEN and SCALY, and the other is holding a MAGIC WAND.

NARRATOR (V.O.)

They say that high school is all about appearances.

We FLIP THE CAMERA ANGLE and see that the male student is actually RIDING HIS BICYCLE and holding a CARDBOARD CUT-OUT of a tricked out SUV.

NARRATOR (V.O.) (CONT'D)

But at this high school, it's all about the secrets. It's how they roll.

INT. HALLWAY - CONTINUOUS

NARRATOR (V.O.)

But what's not a secret...

A MALE STUDENT with an earpiece and wire dangling from his ear, looks around, taps on a wall twice, and holds tight as the wall quickly flips 180 degrees to dump the student on the other side of the wall.

NARRATOR (V.O.) (CONT'D)

... is the big football game tonight!  
Holla!

TRUCK OUT to STUDENTS putting up banners and painting signs that say affirmations like "GO MIGHTY CHICKENS!"

EXT. MAIN HALLWAY OF NWSE - CONTINUOUS

PAN OVER to KYLIE, the bubbly blonde student body president of the school, who is flanked by her sycophantic BFF, BOBBIE.

RANDOM STUDENT # 1

Hey everybody! It's Kylie!

Bobbie leaps out in front of everybody.

BOBBIE

When she says "Go", you say "Chickens!"

KYLIE

Go!

An ENTHUSIASTIC CROWD OF STUDENTS cheer.

CROWD

Chickens!

KYLIE

Go!

An unenthusiastic GROUP OF SKATERS mumble.

SKATERS

Chickens.

ON KYLIE

MOD STUDENT (O.S.)

Hey Kylie.

PULL OUT TO REVEAL 3 MOD STUDENTS who are so tall we can't see their heads.

MOD STUDENT (CONT'D)

We thought it over and decided to join the swim team.

PAN UP TO REVEAL they look like fish.

KYLIE

Trust me. It's got you written all over it!

AT THE FOYER

The cheerleaders are in a pyramid formation. Bobbie is standing on top.

BOBBIE

Hey Kylie! Does this shape say "extreme" or what??

KYLIE

If you're thinking extreme, I would try a hexagon.

BOBBIE

Wow Kylie! Way to use geometry in a real life situation!

ON KYLIE

KYLIE

Now. According to my FabCal, it's time to welcome our new student: Luke Stone. Now where is the president of the welcoming committee? Oh, here I am!

She hops on the back of the Chicken Mascot and waves over Bobbie as they take off down the hallway. Meanwhile, a STRANGE LOOKING FELLOW lurks in the background.

KYLIE (CONT'D)

C'mon Bobbie! To the courtyard!

BOBBIE

I am so there!

EXT. OUTSIDE THE SCHOOL COURTYARD - CONTINUOUS

LUKE STONE, a cute looking skater kid, skates along the sidewalk wearing his helmet.

NARRATOR (V.O.)

OMG. A new student? Who apparently has something to hide? He should fit in at this school just fine.

LUKE

(to himself)

Don't call attention to yourself. Don't call attention to yourself.

Suddenly, a CAT steps in front of Luke. He OLLIES off the sidewalk into oncoming traffic. As cars SCREECH to a halt, he skillfully navigates his way over, under, around, and through cars, back to safety in front of the school. ONLOOKING STUDENTS marvel at Luke from the sidewalk.

RANDOM STUDENT # 1

Who is that guy?

RANDOM STUDENT # 2

What is that guy?

The cat applauds.

CAT

Meow meow meow.

SUBTITLES: That deserves a treat.

EXT. THE FRONT GATES OF SHADY BLUFFS HIGH SCHOOL -  
CONTINUOUS

SPLIT SCREEN

The crowd cheers as Luke glides by them on his skateboard. Kylie and Bobbie spot him approaching.

LUKE

Nothing to see here. Pay no attention to the new guy. Nothing interesting to figure out about me!

KYLIE

Here he comes!

She turns towards Bobbie who holds up a compact mirror as Kylie preps her look.

KYLIE (CONT'D)

Now. Let's give our new student a hearty...

Kylie turns around and holds out her hand for a handshake. But Luke is looking the other way!

END SPLIT SCREEN

Luke turns around at the last minute as he heads straight towards Kylie. But instead of a major collision, Kylie bends backwards as Luke ollies over her. She grabs the skateboard from below him, pulls herself up and back over him in a back flip using the trajectory of the skateboard going up, and, after a few fancy flips, lands her and Luke safely on the ground.

LUKE

Whoa.

BOBBIE

Where'd you learn that move?

Kylie looks around nervously.

KYLIE

Pilates.

Bobbie stares at Kylie with concern as she has an inner monologue.

BOBBIE (V.O.)  
Kylie did Pilates without me?

KYLIE  
Anyhoo, Luke Stone right?

LUKE  
How did you...?

KYLIE  
Welcome to your first day of school. My name is Kylie: Student Body President.

BOBBIE  
And I'm Bobbie, her BFF A.K.A. the gateway to awesomeness.

As Bobbie talks, Luke notices the STARES from everyone and starts feeling claustrophobic. He tries to leave.

LUKE  
Sorry. I gotta...

<p>KYLIE But don't you want to know about our clubs like Ski, Glee, "Sticking It To The Man, " or our brand new gross food tasting club?</p>	<p>BOBBIE Stick it.</p>	<p>* *  * *</p>
--	-----------------------------	---------------------------------

Kylie and Bobbie give interpretive examples of each club.

LUKE (CONT'D)  
(after a beat)  
Look, I don't ski, sing, I'm not one for sticking things to things cause sometimes you can't get them unstuck and why would anyone want to taste gross food?

KYLIE  
Because it's so gross!

Luke blinks.

KYLIE (CONT'D)  
So. Small talk. Where's your family from?

LUKE  
Why do you want to know about my family?

Hold for DRAMATIC ORGAN STING.

KYLIE

Why do you want to know about my knowing  
about your family?

Hold for DRAMATIC ORGAN STING. Luke turns to a BAND GEEK  
standing next to them with an ELECTRIC ORGAN hanging from  
his neck.

LUKE

Don't you have band practice or  
something?

BAND GEEK

Don't you... have... hair practice or  
something?

The group stares at the band geek as he runs off.

By the time Kylie turns back towards Luke, he is already  
skating away in the distance.

Bobbie stares at Kylie with forlorn and has another inner  
monologue.

BOBBIE (V.O.)

I still can't believe you did pilates  
without me.

Kylie refocuses her attention.

KYLIE

Intel. What's his online status?

Bobbie also refocuses her attention and types away at her  
FabFone.

BOBBIE

Nothing. No profile on Whoface,  
Bookface, Facethat, or even My Dilly Yo.

KYLIE

(to herself)

So he's cute and mysterious? Hmmm...

Kylie stares off into the distance and raises an eyebrow  
of suspicion.

CROSS DISSOLVE TO:

INT. SHADOWY HALLWAY - CONTINUOUS

Kylie waits under an old utility light. A shadow is thrown on the wall behind her, informing us that someone is sneaking up on her.

SFX: SOMEBODY TRIPPING OVER A GARBAGE CAN

\*\*

In a split second, Kylie does a parkour-style flip run against a wall, spins in the air, and throws herself at the unseen assailant, immediately leveraging her attack into an arm bar that ends up with her would-be assailant face first against a wall.

Camera widens to reveal it's the GIANT CHICKEN MASCOT.

KYLIE

Who are you?

A naive sounding student chimes in.

GIANT CHICKEN

Roosters don't lay eggs.

KYLIE

Agent Riddle?

GIANT CHICKEN

Former agent Lucky Penny.

Kylie's lets him go.

KYLIE

Look, I already told you guys. I'm out of the program. It's not my thing anymore.

GIANT CHICKEN

Look, I know you left the junior spy program for undisclosed reasons. I still don't know why. Can I ask why?

KYLIE

No.

GIANT CHICKEN

Please.

KYLIE

No.

GIANT CHICKEN  
I'll buy you lunch.

KYLIE  
No.

GIANT CHICKEN  
Fro-yo?

KYLIE  
Why did you call me here?!

GIANT CHICKEN  
We need your help in stopping Dunh Dunh  
Duuunh.

KYLIE  
You mean my old nemesis, Lady Dunh Dunh  
Duuunh?

GIANT CHICKEN  
She plans on using her latest Disaster  
Device to ignite the dormant volcano  
lying below our stadium!

KYLIE  
And you need my help why?

CUT TO:

SERIES OF SCENES depicting Kylie stopping LADY DUNH DUNH  
DUNH, a teenage girl wearing SUNGLASSES and dressed in a  
BLACK JUMPSUIT, as she tries to destroy the world.

GIANT CHICKEN (V.O.)  
You know her moves, her counter moves,  
and just how to manipulate her low self-  
esteem..

The last shot is Kylie and Dunh Dunh Dunh fighting.

KYLIE  
You know, it's never too late to get  
braces to fix your overbite.

Lady Dunh Dunh Dunh's demeanor changes to sadness, giving  
Kylie a chance to nail her and end the fight.

KYLIE (CONT'D)  
Although buck teeth can be cute... ish.

BACK TO SCENE

KYLIE (CONT'D)

Look. I can be your back up. But ONLY if you hook me back up to the government database.

She holds her FabFone out for him.

The giant chicken takes it and types into her keypad.

GIANT CHICKEN

Can I ask what for?

KYLIE

I want to know something more about the new guy, Luke Stone. But... not because of his dreamy hair.

GIANT CHICKEN

Luke...Stone...

KYLIE

Call it intuition, but I think he's hiding...

\*  
\*  
\*

GIANT CHICKEN

No way!

Kylie swipes the FabFone away from him and looks on with great interest.

KYLIE

What are you talking about? He's clean.

The giant chicken peeks over her shoulder.

GIANT CHICKEN

But his ears look a bit, dare I say, Vulcan. Maybe he's the alien I was assigned here to find.

Suddenly a MUSICAL ALARM goes off on her FabFone. She presses a button to STOP THE ALARM.

KYLIE

Whoops. Gotta do a final check on our new Jumbo Megatron for tonight's game. Cause, you know, high impact visuals are a must.

Kylie hops over a rail and disappears offscreen.

GIANT CHICKEN

(looks at his Fabfone)

I've got my eye on you Luke Stone. If that's your real name.

EXT. FOOTBALL STADIUM - LATER

KYLIE and BOBBIE are standing in front of the entrance as Kylie types the words "GO MIGHTY CHICKENS!" on her Fabfone which coordinate with the JUMBO MEGATRON SCREENS.

KYLIE  
And for our Spanish speaking  
population...

Kylie types in "VAMOS POLLOS GRANDES!"

BOBBIE  
I love how you're all multicultural and  
stuff.

LUKE SKATES right by them.

LUKE  
Don't call attention to yourself. Don't  
call...

KYLIE  
Luke?

ZANDER (O.S.)  
Ball!

Luke's attention is immediately piqued.

LUKE  
Ball?

IN A FLASH, he spots a FOOTBALL flying through the air, heading for another STUDENT IN A FOOTBALL UNIFORM who is running to catch it. As the student leaps to catch the ball, Luke jumps up above him, grabs the ball with his teeth, and, with incredible skill, dodges other members of the team who try to tackle him on his way down.

When Luke lands on the ground, he hopes nobody noticed, but we PULL OUT TO REVEAL the entire school staring at him with the football in his mouth. The STRANGE LOOKING FELLOW from a previous scene lurks in the background.

LUKE, embarrassed by the attention, tosses the football back to the stunned student on the ground.

LUKE (CONT'D)  
Yup. It's a ball.

From out of nowhere, ZANDER, wearing his football uniform, puts his arm around Luke.

ZANDER

Newbie! You have major vertical skills that are out of this world!

Kylie raises an eyebrow of suspicion.

BOBBIE

This is Zander, captain of the football team.

KYLIE

He's one of the many foreign exchange students at our school. Do you know anything about being... foreign?

LUKE looks around and begins feeling claustrophobic as people egg him on to join something.

ZANDER

You should try out for our American Rules Football team.

BOBBIE

Our uniforms would totally complement your skin tone.

GIANT CHICKEN

Bok bok b'kok!

Luke starts feeling claustrophobic like before as everyone stares at him. He PANICS and skates off as fast as he can.

BOBBIE

Were we coming on too strong?

Zander sniffs his armpits.

ZANDER

I think it was my body fragrance.

Kylie looks down and sees a bit of green grease. She examines the substance on her hand.

KYLIE

(to herself)

Alien goo? Really? How dumb does he think we are?

LUKE is now a silhouette, skating in the distance.

INT. WHAT APPEARS TO BE A LIVING ROOM - LATER THAT NIGHT

Two figures are sitting in high back chairs, watching TV. We can't see them. The front door opens and Luke enters.

LUKE (O.S.)

Mom. Dad. I'm home.

MOTHER (O.S.)

How was your day?

LUKE

I don't know. I wanted to come here for a fresh start. No expectations. I just want to be left alone to do my own thing.

PULL OUT TO REVEAL that Luke's parents are in the shadows. We can't see them, but they sound sweet.

MOTHER

Oh, honey. I know you want to be quote, unquote, normal, but you're a smart kid with uncanny abilities who happens to have great hair.

FATHER

Your mom's right. Just be yourself so people can accept you for who you are. Who you really are.

Luke looks off into the distance as TWO FOOTBALL PLAYERS enter from opposite sides of the screen and hit each other, acting as a WIPE TO:

EXT. FOOTBALL STADIUM - NIGHT

MONTAGE of football players tackling each other.

THE REFEREE blows the whistle.

ON THE SCOREBOARD

The game is tied 21-21. There are 2 seconds on the clock. Two boys wearing chicken costumes throw eggs at each other. The STRANGE LOOKING FELLOW from previous scenes lurks in the background.

NARRATOR (V.O.)

So the game is tied. No time left. And according to my cell phone app called "clock..."

PAN UP to the night sky and the FULL MOON as a GIANT CHICKEN BLIMP cruises into the shot.

NARRATOR (V.O.) (CONT'D)

It's almost time for the whole stadium to be destroyed by an environmental disaster.

CAMERA ZIPS IN QUICKLY to the blimp. Inside the window, clearly displayed, is an OVERSIZED TEMPERATURE GAUGE and a GIANT DIGITAL CLOCK counting down from 00:02:00. Suddenly, we see the GIANT CHICKEN and LADY DUNH DUNH DUNH wrestling for a REMOTE CONTROL.

NARRATOR (V.O.)(CONT'D)

Unless, of course, our favorite chicken mascot has something to say about it.

OUTSIDE THE STADIUM

Luke is watching the game from behind a fence. He is seemingly alone.

KYLIE (O.S.)

We all have our secrets Luke.

Luke turns and sees Kylie standing there.

LUKE

What is it about me that makes you think I'm hiding something? Can't I just be a regular student...

Kylie holds her GUNK COVERED FINGERS to Luke's face.

KYLIE

(accusing)  
...who happens to leak ALIEN GUNK wherever he goes?

Luke examines the gunk.

LUKE

That's skateboard grease.

Kylie holds her gunk-covered finger up to Luke to quiet him. Luke spits it off his lips.

KYLIE

Shhhh. Luke. Be honest. It's okay if you're hiding something. We've all got something to hide.

(lost in thought)

(MORE)

KYLIE (CONT'D)

I mean, you don't have to save the world  
just because you're the only one who can.

LUKE

What?

KYLIE

(nervous laugh)

What?

Suddenly, a long shadow envelopes the surrounding area.

ABOVE THE FIELD

The BLIMP starts to careen out of control. The whole stadium looks up as it heads straight towards the bleachers! Luke looks down at the stadium as people SCREAM.

LUKE

What the...?

INSIDE THE BLIMP

CLOSE ON the digital clock. It runs down to 00:00:00 and the temperature gauge explodes.

PULL OUT TO REVEAL Lady Dunh Dunh Dunh has the upper hand on the Chicken. She PRESSES THE BUTTON on her remote.

LADY DUNH DUNH DUNH

Showtime!

ON LUKE AND KYLIE

The Earth begins to shake.

IN THE STANDS

The crowd panics.

RANDOM STUDENT # 1

Aaaaagh! It's an earthquake!

ON KYLIE

She looks up and stares daggers at the blimp.

KYLIE

Dunh dunh dunh.

As Luke stares at the screaming crowd, Kylie STEALTHILY BACK FLIPS OVER THE FENCE and disappears from the scene.

## IN THE STANDS

Everyone looks up as the blimp continues towards them. All look horrified except for ONE KID who looks up calmly and takes a bite from his hot dog and a sip from his soda.

## ON THE FIELD

The football players look up. ZANDER is standing in the back of the group.

## FOOTBALL TEAM

Duuuuude.

Suddenly Zander's backside POPS open and a SLEW OF TENTACLES slop out. He quickly SCOOPS THEM UP and tries to inconspicuously run off the field.

## IN THE STANDS

As everyone evacuates the stands, a RANDOM GIRL is left behind because her shoe is stuck between the bleachers. She tries to pull her leg out.

## RANDOM GIRL

Why did I quadruple knot?! Why?!

## ON LUKE

He spots the random girl in the bleachers.

## LUKE

Do you think we should...

He turns to tell Kylie but she's gone.

## LUKE (CONT'D)

(deep breath)

So much for staying under the radar...

He quickly hops on his skateboard, grinds across several rails and fence posts, and heads towards her.

## INSIDE THE BLIMP

The giant chicken is on the ground with birds tweeting around his head. Lady Dunh Dunh Dunh stands above him holding the remote control.

## LADY DUNH DUNH DUNH

My quest for world domination has begun!  
Now nothing can... huh?

Suddenly a hand comes in and swipes the remote from her.

She turns and watches as Kylie, now dressed as AGENT LUCKY PENNY wearing a BLACK BODYSUIT and NO GLASSES, hurls the remote at the Disaster Device and destroys it.

The Giant Chicken looks up.

GIANT CHICKEN  
(to himself)  
Agent Lucky Penny?

ON THE FIELD

The earthquake stops.

INSIDE THE BLIMP

The two exchange a SERIES OF PUNCHES AND KICKS.

KYLIE  
Have you ever thought of bleaching those  
yellow stains in your teeth?

Dunh's demeanor changes like before, enabling Kylie to sweep Dunh's leg, kick her in the head, and send her flying across the room.

ON THE CHICKEN

He is now awake and at the controls of the blimp. Through the window we see the approaching bleachers.

GIANT CHICKEN  
Got any bright ideas?

Kylie leaps to the controls. She and the Giant Chicken struggle with the steering wheel until the SOUND OF A BLAST at the back of the blimp gets their attention.

ON LADY DUNH DUNH DUNH

She is standing in front of a GIANT HOLE IN THE WALL of the control room. She yanks on her scarf and a JET PACK pops out onto her back.

LADY DUNH DUNH DUNH  
You may have won this time with your  
perfect teeth, but I'll be back! And I  
don't have yellow stains! They're  
calcium deposits!

Lady Dunh Dunh Dunh jumps out of the blimp and flies off into the distance.

ON SANDY

She sees the blimp heading straight towards her and SCREAMS.

INSIDE THE BLIMP

Kylie and the Chicken struggle to turn the wheel when all of a sudden, it SNAPS OFF. Kylie runs offscreen, leaving the chicken staring at the wheel. Kylie reaches back in, grabs the chicken, and yanks him offscreen.

OUTSIDE THE BLIMP

Kylie and the Chicken jump out of the back as a parachute pops out of Kylie's back and floats them to safety.

ON RANDOM GIRL

With the blimp inches away from her, LUKE SWOOPS IN ON HIS SKATEBOARD, grabs the girl (and her shoe) and shreds up and out of the stadium just as the blimp CRASHES INTO THE BLEACHERS.

As Luke and the girl shoot over the fence, the blimp EXPLODES behind them, BACKLIGHTING them as they fly past the camera.

ON A CROWD OF ONLOOKERS

Luke looks up and realizes he's on the JUMBOTRON. He blushes as the random girl hugs him and the crowd CHEERS. Kylie looks at the screen with keen interest.

TYPICAL PRIME TIME SOAP OPERA MUSICAL MONTAGE

ON ZANDER

Still hidden in the shadows, Zander slaps his tentacles back into his butt.

NARRATOR (V.O.)

We all have our little secrets.

ZANDER

Unfortunate! I thought my countless squats and butt crunches were supposed to fix my human chamber.

As Zander runs back onto THE FIELD to join the team, we reveal that LADY DUNH DUNH DUNH is also hiding in the shadows. As she stealthily pulls off her sunglasses and costume, we reveal that she is BOBBIE IN DISGUISE!

NARRATOR (V.O.)

Some of us just hide them better than others.

ON RANDOM GIRL AND LUKE

The random girl has Luke off the ground and is dancing around with him in a bear hug. Kylie and a group of students enter the scene and surround them.

CLOSE ON Luke's indifference.

NARRATOR (V.O.)(CONT'D)

But how long can we keep up the charade?

ON THE FOOTBALL FIELD

Zander leaps above a group of players from the other team and catches the football to score a touchdown.

NARRATOR (V.O. (CONT'D)

What happens when our secrets go public?

In the midst of the play, we see a tentacle discreetly slip out from his uniform, but then slip back in. The crowd CHEERS!

ON KYLIE AND LUKE

As crowds of people run in the direction of the field, the random girl puts Luke down. Luke and Kylie catch each other's eye and smile at each other.

Suddenly, the CAMERA ZOOMS past them to spotlight the STRANGE LOOKING FELLOW from previous scenes.

NARRATOR (V.O. (CONT'D)

And who is that guy?

BACK TO KYLIE AND LUKE

As they have a moment, it becomes fleeting as the GIANT CHICKEN pulls Kylie away and drags her to the field.

BOBBIE catches up to Kylie and smiles.

BOBBIE

Wasn't that explosion the bomb?

KYLIE

In more ways than one.

KYLIE looks back for Luke but he is already SKATING AWAY into the distance.

INT. WHAT APPEARS TO BE A LIVING ROOM - LATER THAT NIGHT

Two figures are sitting in high back chairs, watching TV. We can't see them. The front door opens and Luke enters.

LUKE (O.S.)

Mom. Dad. I'm home.

MOTHER (O.S.)

Well. How did it go?

LUKE

I still don't feel like I can be myself here.

PULL OUT TO REVEAL that Luke's parents are WOLVES who are full-on quadrupeds that talk. Luke's mom puts her paw around her son.

FATHER

Well, that's high school. C'mon, I know what'll cheer you up.

Luke's dad whips out a BALL and starts waving it around.

FATHER (CONT'D)

Here boy, here boy!

Luke zips up to him, starts hopping up and down on all fours, and PANTS with his tongue slopping about. Luke's dad tosses the toy ball in the air. Luke leaps up and grabs it with his teeth as he did with the football at school.

MOM AND DAD

That's a good boy... good boy...

Luke's mom and dad rub his belly. TRUCK OUT from CAVE.

NARRATOR (V.O.)

Let me let you in on another secret. I have to use the men's room! So until next time: same secret time. Same secret channel.
