ABOUT

CAIR-**NY**

COUNCIL ON AMERICAN-
ISLAMIC RELATIONS,
NEW YORK CHAPTER

Defending the rights of Muslims in America

WHAT IS CAIR-NY?

CAIR-NY is the New York State affiliate for the Council on American-Islamic Relations, the country's largest Muslim civil rights organization. CAIR-NY is fighting every day for the rights of Muslim New Yorkers and to strengthen the constitutional rights of all Americans.

As a grassroots legal advocacy organization, CAIR-NY empowers Muslim New Yorkers through litigation and other legal services. We promote participation in political and social causes, building coalitions that pursue justice and mutual understanding.

STAY VOCAL, STAY LOCAL

CAIR-NY works exclusively on domestic civil rights causes affecting New Yorkers, with no involvement in foreign policy activism. This targeted mission enables us to focus on the nearly one million diverse Muslims in the state of New York.

*This publication should not be taken as legal advice. If you have any legal questions, please consult an attorney immediately.

OUR ADVOCACY

CAIR-NY regularly leads efforts to amplify the voice of Muslims against discrimination. Working with a broad coalition of allies, CAIR-NY tackles an array of urgent issues, including unjust surveillance, profiling at airports, harassment at the border, discriminatory policing, and excessive data retention.

WAYS WE CAN COMBAT THESE POLICIES INCLUDE:

- Meetings with Elected Officials
- Engaging the Media
- Promoting Civic Activism
- Organizing Rallies and Demonstrations
- Testifying at Public Hearings

OUR LEGAL SERVICES

CAIR-NY's legal team has successfully partnered with many of New York's largest law firms to provide free legal assistance to our clients. We never charge for our services, but that is only possible because of the community's continued support for our work.

PAST CASES INCLUDE:

- Bullying and Religious Discrimination in Schools
- Employment Discrimination
- Harassment
- Hate Crimes Victim Advocacy
- Immigration and Travel Counseling
- Law Enforcement Profiling
- National Security Investigations

We also offer **Know Your Rights workshops** and other trainings to educate New Yorkers about their rights and islamophobia.
