"WE'RE ROOTING FOR THEM ALL, BUT ONE PARTICULAR ANTM CONTESTANT HAS CAUGHT OUR EYES!"

IBM:

"What is **ONE** key thing at the start of this competition that you want your fans to remember about you?"

BS:

"I am a spiritual person. I believe about the law of attraction. I try to be as nice as possible, and although I'm a strong person I am also very sensitive when it comes to "vibes" and "energy."

Being spiritual or a "good person" doesn't mean I'm always skipping down the street. It means I'm human. If you cut me I bleed. And if you come for me, I'll send your ass right back."
