

Covent Garden Market Testimonial

The market is harvesting some dramatic energy savings thanks to the installation of Amagine Lighting's LED Bay Light and Office lights. Lighting costs have tumbled 84% in areas where the system was installed in April, 2011 and air conditioning costs also are down because the light produces half as much heat. The system also is easier on the ears and eyes.

- Bob Usher, General Manager, Covent Garden Market.

APOLLO1000 SPECIFICATIONS

POWER: 390watts

LIGHT OUTPUT: 45,600 Lumens (1000 Watt Equivalent)

EFFICIENCY: 116 Lumens/Watt

General Specifications

- Color Temperature (CCT) Warm & Natural White 4000K and 5000K
- Color Rendering (CRI) 75+
- Patented Optics 170 degree Beam Angles
- LED Driver Advanced Smart Cooling
- Input Voltage 120v-277v, 347v & 480v
- Ambient Operating Temps -40°C to +60 °C (-40°F to +140 °F)

- Manufactured & Assembled United States & Canada
- Luminaire Construction Aluminum Circuit Boards & Heat Sink
Polycarbonate & Acrylic Lens
- Warranty Lifetime on all Mechanical Parts
Five Year on Electronic Parts
- 100% Field Serviceable
- Dimming & Occupancy Sensing Options

INCREDIBLE BENEFITS

Minimum of 70% Savings in Energy Consumption

No Maintenance Costs for 50,000 operating hours

Minimal Heat Emissions and Lower AC Costs

Environmentally Sustainable Design - RoHS and LEEDS compliant

Healthy Natural Light that eliminates Eye Strain & Headaches

Quiet - No annoying humming sounds

100% Recyclable, No Harmful Mercury or Lead

No Maintenance Costs for 50,000 operating hours

Eligible for Rebate and 'Pay From Your Savings' Programs:

PG&E's 'ON-BILL-FINANCING' program

Amagine's EASYLEASE
