UECPC Photographer of the Month Program

Each year a schedule is developed so that each member is given an opportunity to present a group of photos at a meeting, usually in digital format as a slideshow.

This is not a competitive exercise. The aim of the program is to be able to explain a few photos you would like to share with others. You may ask the group for comments or not as you choose.

Generally, there will be four photographers each month so that all can be accommodated each year. Each photographer is allowed 10 minutes, which will be timed.

The time can be used to present a few photos and open them up to discussion, or to simply present a larger number of photos with narration but no discussion. Use the time in a way that you are comfortable with and that will enhance your own experience.
