The Licensor named above authorizes Licensee to make audio and video recordings by any means and in any media (the "Recordings") of my presentation, lecture or program described below (the "Presentation") and to use my name, photograph, and biographical information in connection with the reproduction, distribution and promotion of the Presentation and the Recordings. I understand that Licensee will credit me as the Licensor or source of the Presentation.

I retain any copyrights I may have in the Presentation. Nothing in this document shall limit my rights to publish or use the Presentation as I see fit.

I agree that Licensee will own the Recordings and all copyrights and other rights therein. I agree that Licensee will have the irrevocable, worldwide right to make, copy, edit, publish, distribute, play, show, display and otherwise use and make available the Recordings and any works that may be derived from the Recordings, by any means and in any media now existing or hereafter invented, and to authorize others to do the same; provided that Licensee may only exercise these rights for educational or other purposes consistent with Licensee's mission.

I also grant to Licensee the rights set out in the preceding sentence with respect to any slides, overheads, handouts or other materials that I have provided in connection with the Presentation, with due attribution.

I understand and agree that I will not receive any royalties or other payment in connection with either the rights I have granted to Licensee in this document or the use and dissemination of the Recordings.

I warrant that: my Presentation and any related materials I have provided are original with me; I have identified to Licensee all copyrighted material of others that is included in the Presentation or in any such related materials (if applicable); and neither my Presentation nor any such related materials nor the grant of rights I have made to Licensee in this document infringe or violate any copyright or other right of, or breach any obligation I have to, any other person or entity.

I agree to the terms and conditions of this Agreement, and I agree that all materials in the presentation are my own work and do not infringe on the copyright of others.

IN WITNESS WHEREOF, the parties have executed this license Agreement as of the day and year first above written:
