Society Fair is a one-stop shop for all things delicious, a culinary amalgamation of wine bar and gourmet market delighting all who enter. Crystal chandeliers are joined by exposed track lighting; countertops made with marble reclaimed from an old church, studded leather stools, velvet couches, and Parisian café chairs make up the venue's glamorous yet comfortable interior.

We believe good wine is a natural right, so we proudly serve a well-curated list and utilize both cork and corkscrew to serve artisanal wine-based cocktails, aptly called *Tales from the Vine*. Flowing libations are anchored around a menu where seasonal ingredients, farmstead cheeses, traditional charcuterie and house-made everything come together into delicious harmony.

Located in the heart of historic Old Town, Alexandria, Society Fair is the quintessential setting for a bridal shower, baby shower or birthday soirée.

Where French parlor meets Vaudeville, the Wine Bar & Bistro is stylish, whimsical, and offers the luxury of a display kitchen where many of our hand-crafted delights are created. Combine the Market and Bistro or Atrium - your guests are in for *a magical day at the Fair.*
