Summit Overview

This Summit presents the latest research, prevention, assessment and intervention techniques concerning various aspects of child, adolescent and adult trauma and maltreatment, and the long-term effects if they go untreated. Plenary and Breakout Sessions discuss the types of child, adolescent and adult trauma, the dynamics of maltreatment and trauma at home or in the community, and the effects on children, adolescents and adults psychologically, behaviorally and neurodevelopmentally. Nationally and internationally recognized presenters and local practitioners come together to discuss the latest research, assessment methods, interventions and prevention strategies for children, adolescents and adults who have been traumatized, abused and/or victimized. Application of current research information and providing people with practical techniques are areas of emphasis throughout this Summit.

Volunteer Description

We are looking for volunteers who are comfortable in a fast-paced setting, willing to assist in a variety of Training Summit activities. Tasks may include registering participants for the summit or for continuing education credits, putting together registration packets, setting up and helping with the selling of books, monitoring sessions, and general administrative tasks. **IVAT is looking for volunteers who are able to commit to a minimum of 5-hours of service.** Note that every 5 hours of volunteering at the Training Summit is equivalent to one day of Summit attendance, free of charge. Please contact me with any questions and thank you for your support.

Registration Desk-If you are working the registration desk, you will need to plan to work your full schedule. If you are scheduled for a 5-hour block, we ask that you forego attending any sessions for that block during rush hours. If you are working a full-day block, we ask that you let us know early in the day if there is a session or two that you wish to attend, so that we can prepare accordingly. If there is little activity during your shift, you can request to attend a session instead. Please get permission from Casey or Angela

Floater- In between sessions, anyone may be a floater, in addition to those assigned. Floaters will be responsible for:

- Knowing where everything is
- Being familiar with the layout of the meeting rooms
- Answering questions for Conference attendees

Floaters will also be runners if a room needs anything or if we need extra copies of materials, or they may be a replacement if a volunteer position opens up. In-between sessions, Floaters can also be pulled into Bookstore or CE duties as those are their busiest times. In other words, Floaters must be flexible and willing to help with any task.

Continuing Education Desk- Help distribute profession-specific Continuing Education (CE) Instructional Packets to attendees. Answer any questions regarding CEs (don't worry, you'll be briefed). Enter on-site CE registration information to the CE Master List and verify payment.

Bookstore- IVAT will have several tables of discounted books to sell at the Summit. Plan to report 10 minutes prior to the beginning of your shift to check in with the Bookstore Coordinator for briefing.

Room Monitors

BEFORE THE SESSION

- Go to the Volunteer Booth to pick up your Room Monitor Clipboard that will include:
- Evaluation Forms & Cover Sheet
- Laminated Time Monitor cards
- Leis for speakers (if applicable)
- Speaker Name Cards
- Plan to arrive at the meeting room at least 15 minutes prior to the beginning of the session
- Check- in with speakers, give them the Speaker Name Cards to use, and make sure that they are in the correct room and that their audio/visual needs are met.
- Report any audio/visual problems to a staff person or Tech Support Volunteer at the Volunteer Booth
- Make sure that they have water available.
- If a moderator is present, hand them the laminated Time Monitor cards and the Leis. If there is no moderator for your workshop, you are in charge of presenting the Leis to the speakers and using the cards to alert speakers of the remaining time.
- If attendees mention that the room is too hot/cold, adjust the room thermostat as needed.

DURING THE SESSION

- Take pictures of the session speaker and attendees for our program app.
- As attendees begin to enter, smile and greet them – you are important and represent the Conference and IVAT! Ensure that all attendees have name badges. If an individual does not have a name badge, you should instruct him/her to proceed to the Registration Desk to obtain one. They can't attend a session without one.
- Answer general questions. Be certain to familiarize yourself with the property so that you will be able to direct attendees to meeting rooms/elevators if needed.
- Request that all cell phones be silenced (or remind the speaker/moderator to make that announcement).
- About 15 minutes after the session has started, take a headcount and write that on the Cover Sheet. Do so again halfway through the session, and 10 minutes before the end.

AFTER THE SESSION

- Collect the evaluation forms, write the title and session #, and speaker(s) name(s) on the Cover Sheet, and place this sheet on top of the evaluations.
- If this is the last session of the day, prepare the room for use the next day: Pick up around chairs, tables, floors; clear podium; return lost items to the Volunteer Booth.
- Return the following items to the Volunteer Booth immediately following the session:
- Evaluations with Cover Sheet
- Copy of handouts
- Laminated Time Monitoring cards
- Clipboard
