Our mission is to improve the quality of life for individuals on local, national and international levels by sharing and disseminating vital information, improving collaborations and networking, conducting research and trainings, assisting with direct professional services, program evaluation, and consulting to promote violence-free living.

Aloha,

The Institute on Violence, Abuse and Trauma (IVAT), has the pleasure to invite you to participate in the upcoming 15th Hawai'i International Summit on Preventing, Assessing & Treating Trauma Across the Lifespan. We are pleased to host this Summit at the Hawai'i Convention Center, Hawai'i and look forward to you joining us, hopefully as an integral part of our efforts to surpass the successes of previous years.

We welcome participation and support from collaborators, sponsors, advertisers, exhibitors and vendors. The materials attached to this prospectus contain information about collaborating. IVAT has enjoyed solid community and corporate support over the years and we are grateful for your consideration of the various opportunities available to support our continued work to end interpersonal violence. Your participation at any of the levels is crucial to increasing accessibility to quality care for victims and survivors of violence, abuse and trauma across the lifespan.

This year, we are again focusing on domestic violence, child abuse, adverse childhood experiences, children exposed to violence, at-risk youth, criminal justice issues, sexual assault, unserved and underserved populations, elder abuse, human trafficking, treatment of victims and offenders, trauma-informed care, substance abuse, prevention efforts and more.

There are many mutually beneficial reasons to consider becoming an active supporter of the Summit:

- Increased exposure on an international level through placement of your organization's information on our website, social networking sites, in the program and promotions.
- Identification with IVAT in the global efforts against violence, abuse and trauma.
- Access to local, regional, national and global resources in the promotion of peace movement.
- Networking at the upper levels of international collaboration of public and private organizations, individuals, policy makers and governments.

Please review the forms in this prospectus. We welcome you to email completed documents to Paola Grolli-Cole, Outreach and Education Coordinator at paolag@ivatcenters.org. You may also mail the originals to IVAT, 10065 Old Grove Rd, Suite 101, San Diego, California 92131. Please feel free to contact us if you have questions at (862) 216-6950.
