

**The Festival of Really Good Sex 2018 (Residential Edition)  
26-29 January at Bamarang Bush Retreat**

In any given workshop it will always be permissible to say 'no' or not participate. For most workshops loose fitting, comfortable clothes are appropriate. All workshops are learner-centred and for *every-body*—young and old, people of varied and all abilities. Each day you can choose which workshops to go to at whichever level feels right for you. All ages, bodies and orientations are unconditionally welcome.
