My Story

This month, Preschoolers will be learning all about the good things that God created. While singing fun songs like the Little Praise Party and Yancy's *Taste and See*, by hearing the story of God's creation, through play, and by engaging in various craft activities, Preschoolers will get to experience this very good world that God created. They will also learn that God rested to enjoy his creation and friendship with people, and the way that people hurt that friendship through sin.

3. When people didn't follow God's one rule, they chose to disobey. Sin came into the world and messed up some of the really good things that God had made. But God made a plan to make everything good again. That plan was Jesus. Ask your child: What is your favourite thing about Jesus?
