

Wisconsin Working Stock Dog Association

Request for Updated Member Information and Membership Form

The Livestock Outreach Committee is planning to assemble information to be handed out at public events such as sheep conferences, grazing conferences, demonstrations, dog trials, and other events that the WWSDA participates in. The purpose is to provide easy access for livestock owners who are looking for contact information about services provided by members. The information will, of course, be helpful to all our members as well.

Current, new and renewing members, please complete the following request for information as soon as possible so that the information can be compiled for our membership directory and brochures. **Return the completed form to WWSDA, c/o Rowie Symon-Roske, 312 N. Wood St., Spring Green, WI 53588 or by email rowie.wwsda@charter.net.** You can cut and paste the address into your browser window if the link does not work. Information will be printed for current memberships.
