TND has set a goal to build 400 homes for low-income families and vulnerable individuals by 2025. Become a sponsor of the “Raise the Roof” celebration and directly support achievement of this goal and our vision that all people realize their full potential at home, work, school, or within the community.
SPONSORSHIP OPPORTUNITIES

Be part of TND’s year long initiative of “Home! The Heart of Health.” It is a known fact that housing instability has a negative impact on both individual and community health. The goal of 2019’s Raise the Roof celebration is to raise funds that support TND’s work to improve the health of individuals through housing stability programming, the health of seniors through aging in place initiatives, and overall community health through the improvement of parks, safety, and neighborhoods. By sponsoring TND’s Raise the Roof celebration you are supporting the vision of thriving neighborhoods and strong families. Please contact Heather Vieira by email at hvieira@tndinc.org or by phone at 617-545-8325.
