Proscenium: 21'H
Front of proscenium pipe grid: 22' above stage floor.
Upstage of proscenium pipe grid: 27' above stage floor.

Rigging
We do not have a fly system. Riggers have put up temporary pulley systems in the past. We have certified riggers that we can highly recommend. People can only be hung from the C-Channel beams that run upstage-downstage. Before any rigging for a performance, client must sign the rigging waiver form.

Dressing Rooms:
Three dressing rooms are located under the stage, can fit 5-7 people each.
Auxiliary Dressing Rooms across from Theater Back Stage, can fit

2781 24th Street · San Francisco, CA 94110 · 415.641.7657 · brava.org
There is one co-ed bathroom backstage next to the stairs to the stage on house left.
Our Studio and Cabaret Space can also be used as another dressing room/ Green Room
depending on availability.
