

OPENING NIGHT STAFF SHOW!

Feel like taking part in our annual opening night show? Every year we open the season with a staff talent show on the first night of camp. This is an excellent way to introduce you to the whole camp and have fun at the same time. The campers love to see their counselors and staff members onstage, and this night creates long-lasting memories.

Can you sing, act, play an instrument, juggle, or just tell a joke? Everyone is invited and encouraged to participate. Why not join in the fun of the staff show?

Please bring ideas with you to camp. All are welcome.
