Poplar Grove

Located on the slopes of the Naramata bench, Poplar Grove was founded in 1993 by Ian Sutherland with the first vintage released in the fall of 1995. To this day the vision remains the same: to make world-class wines that reflect the spirit of the Okanagan Valley terroir. Each year Winemaker Stefan Arnason and his team stay true to their mandate to guide the winemaking process with little to no interruption of the natural process.
