

VIEWING TURNITIN SIMILARITY REPORT

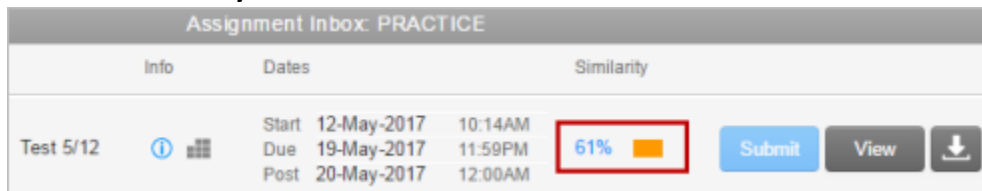

After you submit your Turnitin assignment, you will be able to view your similarity report. Follow the instructions below to view your similarity report.

Instructions

1. After successful submission of a Turnitin assignment, which is evidenced by a receipt (sent via email), navigate to the assignment and click **View/Complete**.

2. Click the **similarity index score**.

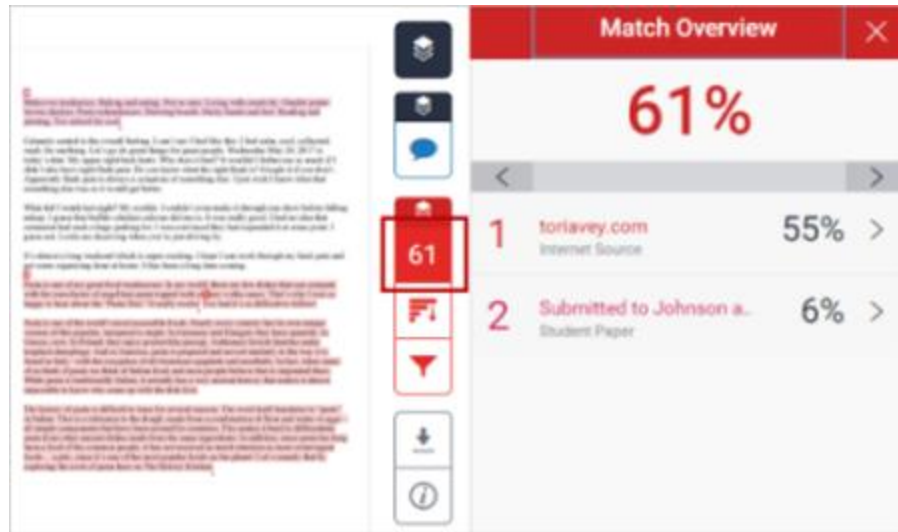

Assignment Inbox: PRACTICE						
Info		Dates		Similarity		
Test 5/12	 	Start	12-May-2017	10:14AM	61%	
		Due	19-May-2017	11:59PM		
		Post	20-May-2017	12:00AM		

3. The Turnitin Feedback Studio opens in a new browser window. Passages within the paper that are similar to existing resources found in the Turnitin repository will be highlighted in different colors on the paper itself. The red menu on the right side of the window provides options for viewing your similarity report.

4. The similarity index score, which is based on the amount of matching or similar text that was uncovered, is the first item displayed on the similarity report menu. The score range is 0-100. Click on the number to see the match overview section. Color coded information about highlighted passages is available in this section.

VIEWING TURNITIN SIMILARITY REPORT

- 5. Click on the name of an item in the match overview section to view the similar text within the source.

- 6. The similar text will be displayed in red. Click the **Full Source View** icon in the upper right corner of the box to view the full source text on the right side of the screen.

- 7. When you are finished reviewing the similarity report, close the Turnitin Feedback Studio browser window to return to ulearn.
