ALLOWING ADDITIONAL ATTEMPTS ON A QUIZ OR TEST

Sometimes our students require accommodations in the online classroom. A common request is for additional attempts on quizzes and tests. If your course includes quizzes and tests, you have the ability to increase the number of attempts or allow unlimited attempts for one or more enrolled students.

Instructions:

1. In the weekly content area, hover over the quiz to display the down arrow to the right.

2. Click Edit the Test Options.
