

Trailer Manufactured in April 2017 by Concession Nation. Includes Smoker, all listed equipment and a full complement of cookware. Buy this, then go buy food and paper goods and you will be in business. Talk to me about the paper goods, I'll give you a good deal on what I have.

This trailer is super-clean and basically new. We cooked in it from May through the first week of October and deep cleaned it weekly.

\$83,000 sold as-is, no warranty.

Smoker

J&R Manufacturing Smokemaster Convection oven. Woodburning with electric assist- Red <http://www.jrmanufacturing.com/products/smokers/smokemaster-convection-oven/>
