Specifications

The RXC is the culmination of four years of design and development to create the world's most extreme race & track coupé, and is influenced and inspired by contemporary Le Mans Prototype design.

Engine

- 3.7L Ford V6 Ti-VCT, 24 valve DOHC twin independent variable camshaft timing, sequential direct injection, plenum & drive-by-wire, catalytic converter & quiet exhaust system.
- Six individual throttle body upgrade.
- Produces 320 bhp @ 6,750rpm, 280 lb ft @ 4,250 rpm.

Transmission

- Bespoke Quaife 7-speed transverse sequential gearbox.
- Helical-cut gear set for reduced road noise.
- Paddle shift & auto-blip.

Chassis

- Daytona Prototype inspired construction.
- High-tensile strength CDS carbon tubular steel spaceframe.
- FIA specification crash boxes front & rear.
- 18.4 gallon (70 liter) foam filled aluminum fuel tank.
- Locking fuel cap.

Body

- Aerodynamic multi-piece composites front & rear diffusers, full width carbon bi-plane rear wing, gullwing doors with gas rams, full lighting system with LED daytime running lights.
- Makrolon Side windows upgrade.
- Light covers & stone guard protection system upgrades.

Suspension

- Front and rear double wishbone, pushrod suspension.
- Bespoke inboard single-adjustable Intrax dampers.

Dimensions & Weight

- L 4300mm / W 1960mm / H 1127mm, 2,266 lb.

Interior

- Left hand drive two seater with multi-function fully adjustable steering wheel, electronic power assisted steering, adjustable pedal box, electrically adjustable and heated wing mirrors, heated windscreen, single windscreen wiper, dash-mounted brake bias.
- Air-conditioning, remote central locking, electronic immobilizer, cup holders, handbrake, tailored carpet kit & sound deadening.
- Bespoke FIA-compliant & HANS compatible Corbeau seat with six-point harness, black cloth with contrast stitching.
- Electrically-activated FIA homologated 3 nozzle fire extinguisher.

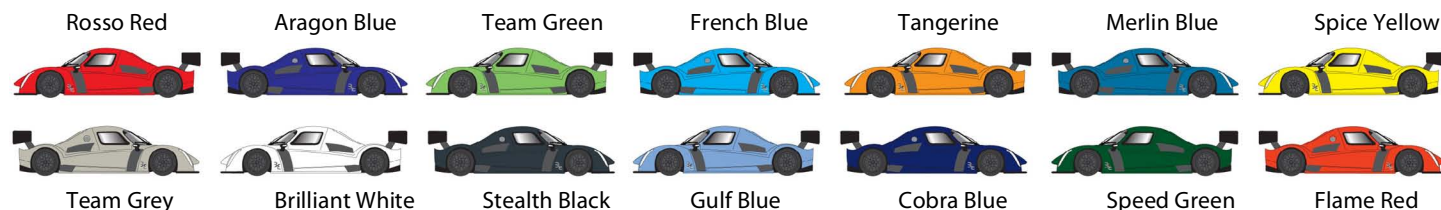

Electronics

- AIM MXL digital dash with rev counter & LED gear shift lights.
- Brake pressure logging module upgrade.
- Rear Facing Camera.

Brakes, Wheels & Tires

- Six-pot calipers & fully-floating disc brakes, front 350mm dia., rear 310mm dia.
- Graphite finish cast alloy center-lock wheels, 9.5"x17", 11.5"x17".
- DOT app. high-performance tires, 215/45-R17, 245/45-R17.
