DANIEL P. POTTER, Clerk

EMcClintoc Deputy Clerk

On April 15, 2020, this court filed an Implementation Order for the Renewed Order Pursuant to Rule 8.66 of the California Rules of Court (Renewed Order). The Renewed Order extended all time periods specified by the California Rules of Court that occur during the time period between April 19, 2020, through and including May 18, 2020, for 30 days from the date of the specified event, except that the time to file a petition for rehearing or a request for publication and the date of finality shall not, under any circumstances, be extended by more than 30 days.

The Renewed Order provided that the court retains discretion to disallow an extension of time, to order that an action be taken or an event occur within a specified time frame. The court hereby exercises its discretion to order that the automatic extension provided by the Renewed Order does not apply to any briefs in juvenile dependency appeals and writs.

Any request for an extension shall be submitted to the court under penalty of perjury before the expiration of the due date of the brief pursuant to California Rules of Court, rule 8.416(e)(1), and will be granted only upon a strong showing of good cause.
