The wife does not have authority over her own body but yields it to her husband. In the same way, the husband does not have authority over his own body but yields it to his wife. Do not deprive each other except perhaps by mutual consent and for a time, so that you may devote yourselves to prayer. Then come together again so that Satan will not tempt you because of your lack of self-control. 1 Corinthians 7:4-5

NEWS FROM THE COLLEGE SCENE –

Dear Wickline Family,

It is hard for me to imagine that my freshman year is coming to an end. I am very grateful for the Miesse Scholarship that has helped me with books and other supplies. I appreciate your support, not only financially, but with kind words and well wishes.

This semester has been loaded, but small class size and professors who are interested in my progress have made it easier. Rose State has a variety of services for students, which have been helpful. The Leadership Program has given me the opportunity to work at the Regional Food Bank and attend a conference on campus. I am taking an interim class at the end of May and picking up a class in July, which will help me pick up classes without crowding a difficult class load.

I would appreciate being granted another scholarship in order to help purchase books and supplies for the 2017 - 2018 year. It is amazing how much books and materials are. Not having a financial debt as I finish my Associate's Degree at Rose State would help my family and me. I appreciate the support you have given me.

Sincerely,

Alexander Lawrence
