THANK YOU WICKLINE –

Thank you for helping Oklahoma hospitals avoid blood shortages that other blood centers may experience during difficult summer months, when so many people are busy with vacations and activities. Your blood drive on Sunday, June 4, 2017 and the efforts of Mary Lawrence will truly help save the lives of Oklahoma patients! At your drive, 16 signed up to give blood and 12 were able to donate.

Because we serve 90 percent of hospitals and medical facilities statewide, Oklahoma Blood Institute depends on committed donors like those at Wickline United Methodist Church.

We are humbled and appreciative that Wickline United Methodist Church has chosen to partner with Oklahoma Blood Institute. There is no substitute for blood's life-saving properties. Oh behalf of each person whose life was saved by your donations, please accept our heartfelt gratitude.

Jennie Hentges – Oklahoma Blood Institute
