Description:

Rotary International is an international service organization whose stated purpose is to bring together business and professional leaders in order to provide humanitarian services, encourage high ethical standards in all vocations, and to advance goodwill and peace around the world. Rotaract Clubs are the young people version of Rotary. Rotaract brings together adults ages 18-30 to take action in their communities, develop their leadership and professional skills, and have fun. Rotary clubs sponsor them, but Rotaract members manage and fund their clubs independently. The St.F.X. Rotaract Club is small but mighty. We have one international project as well as several projects within our community.
