

THE NUCLEAR WORLD PROJECT

“In My Lifetime” Film Screening & Discussion with Director Robert Frye

**Tuesday, October 20, 2011
10:00am-11:20pm**

**Engelhard Hall Room 201
Rutgers University, Newark**

Robert E. Frye is an Emmy award winning producer and director of documentaries and network news programs for over four decades. His recently completed documentary “In My Lifetime: A presentation of The Nuclear World Project tells the story of the sixty five year struggle to find solutions on how to dispose of and reduce the number of nuclear weapons in the world.

Prior to becoming an independent producer, Frye had been at ABC News for fourteen years, which led to projects with ABC News. In 1989 he was commissioned to produce programs for ABC News Productions. He was the founding Executive Producer of *ABC World News Tonight* with Peter Jennings in 1983 and the Executive Producer of *Good Morning America, News*, as well as creator of *World News This Morning*.
