

In My Lifetime

Film Screening and Conversation with
Director/Producer Robert Frye

October 5th 10:00am-1:00pm
American University
Ward Building Room 2

In My Lifetime takes on the complex realities of the nuclear world and searches internationally for an answer to the question is there a Way Beyond? Part wake up call, part challenge for people to engage with the issue of ridding the world of the most destructive weapon ever invented.

Sponsored by The International Politics Student Organization
The School of International Service
And the Washington Semester Program
