

## JULIE GALORENZO COACHING PROFESSIONAL STANDARDS OF PRACTICE

These are the Standards of Practice to which I hold myself, and anyone associated with

**JULIE GALORENZO COACHING, accountable.**

I will serve actors with integrity, privacy, and responsiveness.

I will show respect for students by being focused, engaged, and prepared.

I will be thoughtful in my critiques and always provide feedback as a gift.

I will avoid conflicts of interest when possible.

I will support my own beliefs but remember that they are offerings and proposals - not demands.

I will use my art to create a better, more inclusive, more diverse, more accepting world.
