

# Wilderness Trails Summer camp information for parents:

Dear Parents or Guardians,

Wilderness Trails is an Christian camping organization that wants to share God's love with youth in Southern Oregon. We believe in teaching "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16

The campers are referred by a social service worker and sent to Wilderness Trails for a 4 or 5 day camp where they have fun camping with other kids their age. For many kids this camp has been a special life long memory.

\*Please note: We do a head check on the kids when they arrive at camp. Children with head lice may be sent home. We would appreciate it if they were checked before they get picked up for camp; this saves a lot of embarrassment, hurt feelings, and disappointment. If your child has head lice you may be responsible to come and pick them up from Wilderness Trails camp.

*\*Also, please hand in all medications in original containers to Staff.*
