Briefing by Ken Lawrence Head of Media

POSTCARDS FROM HONG KONG

Hi all.

What a blast we had in Hong Kong! Our playonPROS did us proud, lifting the HK7 Plate. Kevin Galen somehow scraped through his fitness test and even got Man of the Tournament bagging a couple of goals, as did Lee Hendrie and big Eus. Trevor Sheva made his managerial debut and was given an immediate vote of confidence from the board. Phil Babb proved that you CAN play golf while standing up asleep. Mikael Silvestre fulfilled a life-long ambition to take a trip up to The Peak. Made loads and loads of new pals. We certainly left our mark on Koung Koung.

Wish you were here...?

PS : We're back next year.
Can't wait!
