GENERAL MARKET NEWS

"HAPPY NEW YEAR TO ALL OUR SDFP CUSTOMERS"

ASPARAGUS

Australian Asparagus has now finished, and we are relying on all imported stock. They are mostly arriving in a medium size, and it is getting very hard to source jumbo or thick asparagus. White and purple has also finished.

AVOCADOS

They continue to remain short in supply and expensive. The cheapest option is 10kg bulk boxes if you are looking for another option.

STONE FRUIT

All summer stonefruit continues to be going strong and of excellent quality. The price is also reasonable.

TOMATOES

Both regular and Romas have improved in supply and prices have eased. Heirloom and Ox-Heart are also excellent in quality.
