GENERAL MARKET NEWS

Lemons - New season Queensland lemons are now arriving in the market. Prices will start to ease as more supply hits the market.

Avocados - Western Australian Hass is pretty much finished, and rain in Queensland has affected some supply of the new season avocados. Supply is short, and prices are remaining firm.

Australian stone fruit - Some of this summer stonefruit is starting to finish off for the season cherries, and apricots have now finished. Plums, peaches and nectarines are all still good but will begin to be a bit hit and miss with quality.
