

PRIVATE EVENT FAQs

Thank you for your interest in hosting your event with Night Shift Brewing! We offer both private and semi-private events in our taproom, and can accommodate groups from 10 to 200 guests. All events include dedicated space, staffing, and brewery tours. We always have a fresh selection of beer on tap, as well as non-alcoholic natural sodas and sparkling water from our local partner, Spindrift

I have a smaller group (30 guests or less) and don't need a private space. What can I do?

For groups of 30 guests or fewer, we offer semi-private table reservations Monday-Friday. This reservation includes a corner of the taproom with two 10' tables that can seat 24, and can fit 30 guests total. A bar tab is included in the rental rate for table reservations. Reach out to our events team at events@nightshiftbrewing.com for more information and how to book!

I have guests under the age of 21. Can they come to my event?

Underage guests are welcome to private events as long as they are accompanied by a parent or guardian. We take underage drinking very seriously, and if any underage guests are found consuming alcohol, they and their parent/guardian will be asked to leave.

My guests love beer, but really want wine & cocktails. Can I bring in my own alcohol?

Unfortunately, no. Our licensing does not allow us to serve any outside alcohol, which means we cannot allow any other beer, wine, spirits, or hard cider to be consumed on our premises.

I have guests who are gluten free. What can they drink?

For gluten-free guests we offer natural sodas and sparkling water from our local partner, Spindrift. All non-alcoholic beverages are included in the price of the event rental.

What about food?

We work with a variety of catering & food truck partners including:

Munch Mobile Kitchen
Bonetown Burgers
Bonetown BBQ
Roving Lunchbox
Roadies Diner
Stoked Pizza Co.

Blue Ribbon BBQ
Say Cheese
Pennypackers
Amigos Loco Taco
Jamaica Mi Hungry
Gastros

You're also welcome to bring in a caterer of your choice! Once you have a menu selected we can assist with day-of setup to ensure everything runs smoothly!

Where can I park?

Our parking lot is located to the left of the brewery. If this lot is full, there is free street parking along Santilli Highway. For public transport, the closest T stop is Wellington Station on the Orange line, which is about a 15 minute walk.

Can I have music or a DJ during my event?

Yes! Both our spaces can accommodate music or a playlist from a device. Although we can't host a live band, we can accommodate a DJ in the Taproom only. Please note we do not provide any sound equipment.

We need to use a projector/ A/V equipment / a microphone. Can you help with that?

Yes! Both our Taproom and Annex are equipped with a projector and A/V equipment. Our Taproom also has use of a microphone.

How do you take payment?

We take 50% of the rental fee as a deposit at the time of booking. This deposit is fully refundable up to 21 days before your event. The remaining 50% is due 14 days before your event. We can take payment in person or over the phone during our Taproom operating hours.

You didn't answer my question!

No problem! Send us an email at events@nightshiftbrewing.com. Someone from our events team will get back to you as soon as possible. We look forward to working with you!
