Position: Freelance Graphic Designer

Office Description:
Studio Hinrichs, founded by former Pentagram partner Kit Hinrichs, is a graphic design firm who works with prominent local and national brands and cultural institutions. We engage in all types of projects, including corporate communications, brand identity, promotion, publishing, packaging, interactive and environmental systems.

Office Notes:
Office is located in North Beach

Salary: Hourly compensation varying with experience level

Responsibilities:
• Researching, conceptualizing, and producing designs
• Working directly with the Creative Director and collaborating with other designers
• Digital illustration, photography and photo manipulation
• Producing print-ready production files
• Comping designs, creating print and digital presentations and composing design blog entries
• Working effectively with design colleagues and outside specialists
• Communicating with clients

Qualifications:
• Bachelor's Degree in Graphic Design
• Entry level and above experience in the field
• Must be proficient in Adobe Creative Suite (InDesign, Illustrator, Photoshop, with AfterEffects helpful), Microsoft Office Suite
• Web/interactive experience helpful including knowledge of HTML, CSS and CMS
• Working knowledge of equipment including printers, scanners and DSLR cameras

Desirable Skills:
• Great typographic, layout and image making skills
• Strong verbal and visual communication skills
• Creativity, good taste, detail oriented, efficiency, and a desire to learn
• Self motivation, punctuality, flexibility, positivity, a multi-tasker and good team worker
• Good knowledge of designing for print and the printing process
