Noche en Blanco - October 28, 2017

Set-up Time: 3:00pm | Event Time: 5:00pm-10:00pm | Location: Hance Park - West Lawn

Benefiting the future of Hance Park

Hance Park Conservancy presents the second annual "Noche en Blanco" in Hance Park. Inspired by a similar "dinner in white" which got its start in Paris 30 years ago, Noche en Blanco has a character unique to Phoenix. Guests will arrive dressed all in white, share in a sunset toast, and partake in gourmet picnics paired with fine wine. This will be a fun, elegant event with long rows of tables draped in white, strings of lights and stars overhead, featuring live music and dancing.

The Future of Hance Park

Hance Park is a 32-acre green space in the heart of Downtown Phoenix, situated in the midst of great cultural, arts, and community institutions. The park offers year-round events and activities, an active dog park, and several amenities.

The Hance Park Conservancy, in partnership with the City of Phoenix and Phoenix Community Alliance, have endeavored to redesign and redevelop Hance Park into a vibrant urban park and signature destination that becomes a catalyst for positive change in the community.

Signature parks throughout the nation are unique, must-see spaces that inspire community pride, economic development, and tourism. Great cities need great parks.
