CENTENNIAL, Colo. Bold Legal will provide experienced insight in the issues involved in forming a company, issuing equity, raising investment capital, hiring employees and other early stage company needs to the IP community. In Bold Legal, Innovation Pavilion has found a like-minded partner and industry disruptor that seeks to deliver outsized value to entrepreneurs and startup companies.

Through the strategic partnership, Innovation Pavilion will provide entrepreneurs and startup companies with a starter suite of form legal documents and educational resources prepared and maintained by Bold Legal. These include:

- Corporate Bylaws and Articles of Incorporation
- Equity Incentive Plan
- Convertible Note and Term Sheet
- Series Seed Preferred Investment Agreement and Term Sheet
- Non-Disclosure Agreement
- Employee Proprietary Information Agreement

As a part of the agreement, Bold Legal will co-sponsor Innovation Pavilion's monthly "Access to Capital" events. At these programs, panels of leading venture capital, angel and other investors present on topics related to the capital-raising process for entrepreneurs and startup companies.

Bold Legal will also hold regular monthly office hours at Innovation Pavilion's Centennial campus to provide free access to legal advice for entrepreneurs' pressing questions and concerns. When an entrepreneur or startup company is ready to engage Bold Legal as counsel, Bold Legal will provide the first hour of billable legal work free of charge.

"Bold Legal embodies the spirit of innovation and collaboration we hold so dear," said IP CEO Vic Ahmed. "A legal structure is crucial to the success of any entrepreneurial venture and we are excited to extend this fantastic resource to our community.
