Earning customer loyalty.

Big K means great margins and products that set industry standards for quality, practicality and comfort. Because retailers know their customers' wants and needs, it is important that all Big K safety products are designed and created based on solid research and development. The new products that we have included in this brand new wholesale catalogue have been selected to compliment our existing product lines, while providing retailers with additional revenue-generating opportunities.

As usual, we endeavor to provide the highest level of service and support for all our customers. Should you have any questions or specific needs not addressed in this catalogue, please feel free to contact us anytime. Also, don't forget to call us for information about volume discounts, special orders, first time customer incentives and private labeling.

We look forward to your feedback and recommendations as we continue to develop viable safety products that keep customers coming back to your store, time and again, for all their safety needs.

Industrial, Marine and Home Use

Turnout Gear & PPE Cleaner

Fire Stations and Equipment

Also available in 255 gallon totes.

A - BK-SC-14 - 5 Sizes

Industrial strength and environmentally friendly all-purpose Citro Squeeze is tough on grease and grime. Because SC14 is biodegradable with a near-neutral pH balance, it is user friendly yet able to cut through soil and hydrocarbons, while remaining safe for use on paint, diamond plate and polished metals. It contains no caustic materials commonly found in other cleaners and therefore, will not harm sensitive surfaces or tools. It's safe for most equipment, machines, floors, metals and fibreglass.

B - BK-SQ - 5 Sizes

Citrosqueeze PPE and lifeline cleaner is suitable for use on all your Personal Protective Equipment, including standard fabrics, fire retardant fabrics, KEVLAR and more. It is also safe for mechanical equipment, concrete and epoxy floor surfaces, glass and signage. Keeping PPE clean is a big part of safety; it ensures hazardous grimes and greases are removed, helping to prevent a wide range of potential accidents.

C - BK-SC14RED - 5 Sizes

Our all-purpose cleaner is biodegradable and environmentally safe with its near-neutral pH balance. It safely removes grease, grime, soil and hydrocarbons, yet is safe for use on metal, rubber and other sensitive surfaces. Station One is great for trucks, equipment SCBA tanks, imaging cameras, most rubbers, helmets, hoses, epoxy and concrete floors and a whole lot more!
