

Money for Artists: Application

There are two sections to this application - the first section asks about your project, the second session asks about you! All this information will be kept confidential and will only be used to help develop Arts Alive!'s programs to serve the Monadnock Region's creative spirit.

Awardees will be chosen by a panel of local leaders in the creative community. Awards will be based on how meaningful the project funding is to the applicant and if there will be a positive impact on the fabric of the greater arts community. Grants will be awarded to projects that further either the artist or creative business - expanding their professional abilities or increasing how many people they can reach with arts experiences.
