Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

M. Rajani Devi

Beautician Course
Annai Teresa Beautician Training Center

Rajani is currently completing her final year at Annai Higher Secondary School in Trichy. She lost her mother at a young age and recently lost her father last year (2019). Now she finds herself under the care of her 74-year-old grandmother who works as a housemaid in order to support Rajani and her sister’s education.

Rajani is a highly studious and curious person. After the death of her father last year, she decided to take matters into her own hands and approached Visions India for educational support. Her current aspiration is to complete a Beautician Course at Annai Teresa Beautician Training Center in Tamil Nadu. After completing her program, she also has an interest in continuing her education by pursuing a B.Sc. in Fashion Technology. Due to her age and limited ability, Rajani’s grandmother will not be able to generate enough income to support Rajani’s goals. The course of her education and future opportunity will depend on the financial support she receives.

For just $30/month, you can make Rajani’s university dreams a reality!

Rajani is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Rajani is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
