Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

V. Muthuselvi

Bachelors of Commerce (BCom)
Ayya Nadar Janaki Ammal College, Sivakasi

Muthuselvi is currently completing her 12th grade and is known by her classmates for her creative initiatives to improve the school grounds. She would say that she has a craze for campus cleanliness. Muthuselvi is a motivator, has received awards from her school for her efforts, and strives to see the positive in every situation.

Unfortunately, Muthuselvi’s father was killed in a family dispute over property before she was born and her mother, who works as a day laborer for low wages, became her sole source of support. She is an only child and is not close with her extended family. Without much of a support network, she does not have the resources to attend college. Her aspiration, however, is to pursue a Bachelors in Commerce and have the ability to create a better life for herself and her mother. With the financial support, training and mentorship provided by Visions India, she is confident she can achieve her goals.

For just $30/month, you can make Muthuselvi’s university dreams a reality!

Muthuselvi is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Muthuselvi is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
