Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

I. Suriya
Chartered Accountant (CA)
Specialized CA Training Institute (TBD), Chennai

The daughter of agricultural day laborers who live well below the poverty line, Suriya had a difficult childhood. Her parents separated, which had a big impact on Suriya and her two elder sisters growing up. Her mother, seeking a better life for her youngest daughter, used her meager earnings to support Suriya’s hostel fees at the Siloam Girls Boarding Home in Thirukkovilur.

Exceedingly bright, Suriya scored the top marks at her high school in 2016, earning 1,113 out of a possible 1,200 points! She was also stand-out participant in the Visions Leadership Program in which she participated for 5 years and possesses many inherent leadership abilities. After high school, she went on to complete a Bachelors of Commerce (BCom) at Loyola College in Vettavalam and is graduating this year (2020). Her plan is to continue her specialty in accounting by pursuing a Chartered Accountant (CA) certification, but she requires financial assistance in order to do so.

For just $30/month, you can make Suriya’s university dreams a reality!

Suriya is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Suriya is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
