Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

R. Geetha
Bachelors of Commerce (BCom)
Infant Jesus College of Arts and Science for Women, Mulagumoodu

Geetha’s dream is to become a Chartered Accountant so that she can realize a brighter future for her mother and younger brother. A veteran of overcoming adversity, Geetha’s father passed away before she was old enough to get to know him, while her mother has worked tirelessly in the local mill to support her education.

Unfortunately, her mother does not have the resources to send Geetha to college. Higher education would mean both a safe living and learning environment for her (unlike her current circumstances) and the culmination of this family’s hope to break the cycle of poverty. To achieve her aspirations, Geetha needs financial support to pursue her Bachelor’s in Commerce (BCom) first. Soon after, she plans to secure her Chartered Accountant (CA) certification so that she may begin working an earning an income.

For just $30/month, you can make Geetha’s university dreams a reality!

Geetha is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Geetha is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
