Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

R. Gowmaari  
BA English  
The Standard Fireworks - Rajaratnam College for Women, Sivakasi

Gowmaari is passionate about communications and is often recognized in school for reading the news in English to her 1,500+ classmates during the school’s daily assembly. Her father earns a small wage working in a rice mill in order to support her and her brother. Gowmaari is energized by reading and sharing knowledge with others.

She is currently completing the 12th grade and aspires to become an English news correspondent on a prominent media channel. In pursuit of this goal, she hopes to complete a Bachelor of Arts in English. Without financial support for tuition and related expenses (and regular training, mentorship, and general support provided by our Visions India staff) Gowmaari is at risk of not taking the first steps towards realizing her dreams.

For just $30/month, you can make Gowmaari’s university dreams a reality!

Gowmaari is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Gowmaari is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
