Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

A. Jebasheela
B.Sc. Zoology
Infant Jesus College of Arts and Science for Women, Mulagumoodu

With parents as farmers, Jebasheela has spent her life developing a love and respect for animals. From maintaining a steadfast vegetarian diet to advocating for sustainable and healthy living for families, her passion informs everything she does.

Jebasheela is currently finishing her high school studies and her future aspiration is, fittingly, to become a zoologist. Unfortunately, her family only earns a small income from their limited number of goats and chickens on which they rely. Their earnings are not enough to support her dream. Without financial assistance, Jebasheela will be unable to pursue her academic and professional ambitions, making it all the more difficult to break the brutal cycle of poverty for herself and her family.

For just $30/month, you can make Jebasheela’s university dreams a reality!

Jebasheela is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Jebasheela is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
