Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

S. Perpethuva Benishiya
B.Sc. Nursing
KMC Nursing College, Trichy

Perpethuva is described by those who know her as a bold and natural leader. From an early age, Perpethuva watched her mother take on the role as the sole breadwinner for her family, despite a challenging diagnosis of Tuberculosis (TB) and domestic violence in the home. Inspired by her strength, Perpethuva grew determined to not only financially contribute to supporting her mother and brother, but to helping others afflicted by TB.

Today, she is finishing her high school education at a nonprofit boarding school committed to supporting economically vulnerable youth such as her. At school, she excels in Math and Biology. Her brother is also now living and going to high school at a nonprofit boarding school nearby. Her aspiration is to build a new life for her family by becoming a nurse and working specifically with TB patients. For Perpethuva’s dream to become a reality, she needs financial support for four years of her nursing degree program.

For just $30/month, you can make Perpethuva’s university dreams a reality!

Perpethuva is one of the young women selected for the next batch of Visions scholarship youth for 2020. To reach our goal, we need your help! Through the Visions Youth Guidance & Support Program, Perpethuva is eligible for financial support to cover her university fees, related expenses, mentorship & counseling, leadership development training, and more. To-date, we have sponsored 24 youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams.

Please join us by setting up a recurring contribution of just $30/month and we will keep you informed of her progress over the next year!
